Name of Project

Amount Requested

Describe the goals for your program/project, including how it will support the enrichment of Academics, Arts & Culture, Athletics, Innovation, and Community Wellness.

Describe the innovative components of your program/project.

Describe the desired results of implementation, including long term impact, and the means for measuring the impact of your program/project.

Describe the grade level(s) and number of students to be impacted.

Describe the location and duration of the program/project, including anticipated start date and end date.

Is this a single year implementation or do you plan annual implementation? If planning for annual implementation, describe your plans for future funding.

List specific projected expenses (examples include supplies, book titles, equipment, software applications, speakers, travel, training, etc.).

Identify total cost of project and list any other sources of income supporting the project.

Indicate whether the project can be implemented with partial funding, and if so, what is the minimum level of funding needed to implement the project?

Please note: The building principal must approve of the request, indicated by his/her signature below. Additionally, materials purchased with grant funds will become the property of the West Shore School District.
