

## Harry L. Messick Youth Service Award

---

The Harry L. Messick Youth Service Award is offered by the West Shore Foundation in honor of former Board member Harry L. Messick. Mr. Messick served as a Board member in the West Shore School District from 1981-1999. Having served the District for over 18 years, Mr. Messick was the longest serving Board member in the history of the community and District. He took great interest in serving the students and constituents of the West Shore community. His years of service and dedication were marked by serving in many capacities as a non-paid volunteer. In honor of Mr. Messick, this award has been established to recognize a student attending school and residing in the West Shore School District community who has provided outstanding and extraordinary non-paid voluntary service that has benefited others.

This application may be completed by a student wishing to apply (nominee) or by an individual wishing to recognize the student (nominator).
