

Marcello H and Antonia M Soto Engineering Scholarship

Due April 30th

(For Cedar Cliff High School students only)

Directions: Completed applications should be forwarded executivedirector@westshorefoundation.org by the April 30th deadline.

Personal Information:

Name: _____ Birth date: (mm/dd/year) _____

Permanent (home) Address: _____
address city state zip

Phone: Home: _____ Cell: _____

Parent(s)/Guardian Name(s): _____ Phone: _____

Educational Information:

GPA: Overall: _____ Math/Physics/Chemistry Combined: _____ Class Rank: ____/____

Major: _____ Expected Graduation date: _____

List all math, physics, and chemistry classes taken in high school and the grades received:

List Colleges/Universities to which you have applied and indicate in which engineering program you are interested.

College/University Name	City	State	Accepted (Y/N)	Program
-------------------------	------	-------	----------------	---------

_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____

Interests/Experience:

Have you participated in any Science Fairs? If so, please describe the project(s) and why you chose the topic(s), in 250 words or less. Also indicate if you were awarded any prize(s).

Deleted:

Have you participated in any engineering projects or competitions outside of the classroom? If so, please describe the project(s) and why you chose the topic(s) in 250 words or less. Also, indicate what recognition, if any, you received for the project(s).

Deleted:

Please list other activities, including community service, in which you have participated.

Please explain why you are interested in becoming an engineer (in 500 words or less).
